Product Description

420 Denier medium weight winter horse blanket. Made with 420 denier durable water resistant poly nylon; 300g poly fill, breathable 210D soft and smooth black lining. Open front with snaps easy to adjust. Machine washable. To Measure Your Horse: Measure from the center of your horse's chest, along the side of the barrel to the point just before the tail. This is your horse's blanket size. If your horse is between sizes, round up to the next size.... [More >>](#)
